Flat Tyre Repair Kit
Please note this repair kit provides a temporary solution. After repaired, please go to the nearest service station to repair tyre permanently.

Reifenreparaturset
Lassen Sie Ihren Reifen nachhaltig reparieren. Informieren Sie die Reifenfachkraft, dass Reifendichtmittel in den Reifen eingefüllt wurde.

Kit de réparation de pneu
Faites réparer votre pneu de façon permanente. Informez le fournisseur de services de pneus que vous avez utilisé du produit d'étanchéité pour pneu.

Kit di riparazione pneumatici
Fai riparare il tuo pneumatico in modo permanente. Comunica al fornitore di servizi pneumatici che è stato utilizzato del sigillante per pneumatici.

Kit de reparaciones para neumáticos pinchados
Repare su neumático permanentemente. Informe al proveedor de servicios de neumáticos que ha utilizado sellante de neumáticos.

Kit de reparação de furos
O pneu deve ser reparado permanentemente. Informe o prestador de serviços de pneus que utilizou selante de pneu adequado para a maioria dos tamanhos de pneus de automóveis de passageiros.

Kit επικολλησης ελαστικών
Επικολλήστε μόνιμα το ελαστικό σας. Εμπνεύστη το τεχνικό του να επαρκούσε το ελαστικό σας ή έχετε χρησιμοποιήσει στεγνωτικό για ελαστικό.
